

# St Augustine - Sec 6

*"..where two or three are gathered in my name there I would always be.."*

*BEC St Augustine comprise a bag of mixed nuts, each reflecting St Augustine at various stages of his life.*

*The young inspire us all; juggling between earning a living, taking care of young families and aged parents while keeping close to Christ and the Church. We depend on them to help us cope in the ever changing world of technology.*

*We are grateful to the senior members of our community for their steadfast faith, patience, wisdom and service.*

*They are role models in our community, continuously serving, embracing change and aging joyfully.*

*We continue to work on building a happy, loving, compassionate and helpful community extending far beyond the borders of our area, fearlessly in faith.*
